Two courses are scheduled for N & S Longford with each course taking 6 days:

- **4 days (8 evenings) of online classroom sessions (by Zoom)**
(On Wed/Thurs evenings – dates to be scheduled with agreement of participants in Oct/Nov/Dec 2020)
- **one day exploring lakeshore(s) in Longford – including biological sampling**
(These trips were originally scheduled for **7th & 14 Nov 2020** for North & South Longford groups, respectively but these will now be moved to Spring 2021.)
- **a one-day Webinar day focussing on several existing community water projects around the country.** (Dates to be scheduled.)

Follow-up field visits to these projects take place in Spring 2021.

The overall aim is to assist participants in developing community action plans for their local waters and develop projects suitable for funding.
